Floor Standing Cabinets

Server cabinets are designed to store and safeguard the primary active components in a data networking system. The design considerations include the functionality to provide substantial flow of air, keeping the networking units aesthetically arranged with excellent cable management options. Our server cabinets provide adequate and appropriate cycling of air and cable management which aids the servers to function around the clock.

Specifications

- Front perforated or glass door with handle lock
- Rear door with rod handle lock
- Removable solid metal side panels with an optional lock system
- Enhanced 130 degrees operation angle hinge
- Top and bottom cable entry; the size can be customized
- Top fan tray has 2 or 4 fans for cooling
- Swiveling castor wheels and adjustable feet
- 20 sets of extra M6 cage nuts and screws
- RU marked 2.0mm mounting rails
- Flat packed or assembled delivery options
- Maximum static bearing capacity of up to 800kg on cabinet feet; Cabinet can be customized for higher loading capacity
- Protection: IP20
- Complies with ANSI/EIA RS-310-D, IEC297-2, DIN41491; PART1, DIN41494; PART7, ETSI
- CE, RoHS test certified
- Surface finish: degrease, acid pickling, rust prevention and parkerizing, pure water cleaning, static electric powder coating
- Color: RAL9005(black), RAL7035(grey), additional colors can be customized with MOQ

FLOOR STANDING CABINETS PART NUMBER KEY

Part Number: C.02.F. _ _ _ _ _

C.02.F.Height.WidthDepth.Colour Code.Front Door.Rear Door.Side Panel

Please add the codes from the tables below in the above format to derive your desired product part number

Height	Code
15U	15
18U	18
22U	22
26U	26
27U	27
32U	32
36U	36
42U	42
47U	47

Width in mm	Code
600	60
800	80
1000	10

Colour	Code
RAL 7035	G
RAL 9005	B
Custom	C

Depth in mm	Code
600	60
800	80
1000	10
1200	12

Front door	Code
Not included	XX
Perforated metal	PM
Perforated glass	PG
Perforated double	PD
Solid glass	SG
Glass double	GD
Solid metal	SM

Rear door	Code
Not included	XX
Perforated metal	PM
Perforated glass	PG
Perforated double	PD
Solid glass	SG
Glass double	GD
Solid metal	SM

Side panel	Code
Not included	XXX
Solid panel w/o lock	SPO
Double panel w/o lock	DPO
Solid panel with lock	SPL
Double panel with lock	DPL
