500 Series Connection Boxes

The Series of wall mounted metal connection boxes with back mounting frames which have been constructed and assembled to obtain industry standards.

The boxes are constructed with balmy steel and finished in a pleasant grey color with stainless back mount frames and a brass earth block. 80mm knockouts are evenly distributed around the enclosure to aid installation.

Features

- Completely lockable door
- 180° opening door with swift release hinges
- Left & right handled door entry
- Internal cable manager rings
- Back mounts are immovably earthed to a 5-way earth bar
