## Measuring Wheel

Heavy duty distance measuring wheel is the perfect equipment for laying out and measuring distance. It is light in weight which makes it easy to operate and reduce fatigue. Folding handle design demands less storage space and fits suitably inside a padded storage bag.

Internal axle bearing provides long life under various applications, 6-figure counter records distances up to 100,000 meters over majority terrain. Long counter makes reading measurement effortless. Handgrip brake dodges unnecessary measurement at turns or when manoeuvring around objects not to be measured.

### Specification

- Measuring range: 0-99999.9m
- Net weight: 2.9kg
- Diameter of wheel: 318mm
- Extend length: 1100mm
- Folded length: 600mm
